

Dave,

We just wanted to send a letter of thanks to you.

The quality of your work is outstanding. We are so pleased with the way our beautiful floor looks. The color blend was perfect for us. Not only that, but it gives the house such a warm and inviting feeling. As you already know it was such a mess of a floor. We could not believe how wonderful it turned out. You are truly a master of your trade.

We would also like to thank you for the timeliness the job was done. It was just like you promised.

We will gladly recommend you to anyone who asks us.

Thank you so much,

Pat and Ky
