

Hi Dave,

I wanted to email you a quick message to say how much we are enjoying the pool deck and patio that Decorative Crete Worx did for us a few weeks ago. As you know, our existing pool deck and patio were really aged, unevenly stained, and ugly. I appreciate the professional approach from the first moment we contacted you via text all the way until the job was completed on time and on budget! The color turned out great and now the entire back yard looks new and improved – thanks for the great work!

All the Best,

The Statham family
