To Whom It May Concern:

My name is Georgia Tiner, this letter is in reference to David Gonzales with Decorative Crete-Worx who was hired to powerwash and prep my deck to be stained and sealed. He did every part of his job in a very professional and timely manner. The stain job matched up exactly as he said it would. I was very impressed with his ability to complete every aspect of this job to such a high level of perfection, no corners were cut and every step was completed and thoroughly inspected after the job was finished. Mr. Gonzales also filled the cracks in my driveway with polymer, which was also done in a very professional manner. Please feel free to give me a call with any questions about the quality of work that Mr. Gonzales does for his customers.
