

I accidentally "sent" before finishing the email. Sorry!

Our formal living room had the makings of a great game room. However, the floor was covered with wall-to-wall carpet and we didn't want carpeting in a game room. We contacted Dave Gonzales and asked him about the process of staining concrete. He came to our home and provided a written estimate with explanation of how he would complete the job.

Dave's work was of the highest quality. He helped us select a beautiful golden brown stain. Before beginning the stain process, he thoroughly prepared the concrete slab. In spite of icy winter weather, Dave finished the job ahead of schedule.

Our new concrete floor is beautiful! We highly recommend Dave's work. He is extremely helpful, attentive and just plain nice.
