

First if all, Dave and his crew arrived at my home exactly as promised and if this means as much to you as it does to me, this set the tone for the rest of our experience. He and his crew were very polite, neat and his work impeccable. Dave gave a completion date of which he honored and I was impressed with that as well. All and all I would say that we had a very pleasant working experience and I would recommend him to my friends, not to mention that his prices are competitive. Dave didn't know it, but I had priced the areas with other vendors and his prices were good.

Thanks Dave! My daughter loves your work.
